Dropping Off and Collection

Please do not park in the disabled bays (unless displaying a valid disabled permit), or at the front of the venue when picking up or dropping off, as this creates a hazardous and dangerous environment for everyone.

Supervision - Parents/ Coaches Responsibility

Children under the age of 13 should always be supervised by their parent/carer whilst at a tennis venue and outside of any venue sessions, such as coaching lessons or tennis camps. Over the age of 13, children must sign in/out of the visitor book which is located at the tennis reception ensuring we are aware they are attending the venue.

It is the responsibility of parents/guardians to ensure appropriate transport arrangements are made for their children. Parents may choose to make private arrangements with another adult (such as a family friend) to transport their child, however, they should let the venue know.

Parents running late collecting a child should inform the venue of what time they are likely to be arriving so that the child is not left unattended at any time and can be supervised by a member of staff until they are collected from the tennis office reception area.
